Weekly Bulletin

Dear Parents

Hello to you all. I hope that you are all keeping safe and well.

Hopefully you should have all received a profile form for your child, if for any reason you haven't then please do let me know. Please can you ensure that these are updated asap. Many thanks.

Please do remember to keep an eye on your emails as we are sending a few communications at the moment.

Please also remember that until further notice, the Pre-school will not open until 10:30am on Tuesday mornings, this is due to all staff taking Lateral flow tests. We do apologise for the inconvenience but hope that you understand we are doing this to ensure that all the children, staff, families and wider community remain safe.

If at any time you do have any questions at all, then please do not hesitate to get in touch. Thank you to you all for continued support.

Activities

Well, what a wonderful treat the children got last week with the snow. They all loved playing in the outside area, making footprints, making and throwing snowballs and just having a great time, it was wonderful to see their smiling faces. They have also enjoyed the bikes, ride on's, the balls and the slide.

Inside last week the children have continued to enjoy games, puzzles, drawing and stories. They have also had ice trays where they were able to play and describe the feeling of the ice on their hands and what happened to the ice when it got warm. They have enjoyed making shakers, using rice and bells in pots and then decorating them.

The children have enjoyed painting last week and using pipettes to splash the paint on to paper plates.

The children also asked for another indoor obstacle course last week, so the staff put this together for them and as always, they really enjoyed taking the challenge. The indoor obstacle courses really help the children with their listening skills, following instructions, balance, co-ordination and turn taking.
