Weekly Bulletin

Dear Parents

Our second week back at Pre-School and what a brilliant week we have had.

The children have settled really well into our new routines and have enjoyed many activities again this week.

Thank you again to all of our parents for continuing to follow the social distancing rules.

Next week is forecast to be very hot, please ensure that children attend Pre-School with sun cream already applied. Can you please also ensure that they have sun cream in their bags along with sun hats, thank you.

As always, if you have any questions or concerns then please do not hesitate to contact us, please call or email us and we will be happy to help.

Activities

The weather this week has been a little unsettled, but this has not stopped the children from having lots of fun inside and outside.

Outside this week the children have enjoyed many activities. They have enjoyed sand play, water play and using the chalks to create their own drawings on the floor - we had a wonderful drawing of Sonic the Hedgehog which I will share with you below. The children have also enjoyed the outside toys, the slide, ride on's and tyres. The children also loved the rain that was sitting on our yellow sail. As you will see from the pictures below, it was good fun to push the sail upwards sending the water splashing over the edge.

Inside the children have also enjoyed drawing, sand play and weighing the sand using the scales. The puzzles have been very popular as have dolls.. The children also enjoyed playing with the musical instruments.

This week at Pre-School we had 2 birthdays and we also had a wedding 😊.
